(1) Number of Estates under Management

Northern Division.—At the beginning of the year there were 16 estates (two large and 14 small) under management. Five small estates (two in Kaira and three in Broach) were released while one small estate in Ahmedabad was taken under management during the year. In the case of Jhanor estate in Broach management under the Court of Wards Act was substituted for that under the Guardians and Wards Act. One small estate in Thana was taken under management during the last year but the Collector had through oversight omitted it from his report for that year. There were thus 12 estates (one large and 11 small) under management at the close of the year.

Central Division.—At the beginning of the year there were 12 estates (one large and 11 small) under management. One small estate in Nasik was released while eight small estates—seven in East Khandesh and one in Poona—were taken up during the year. The year thus closed with 19 estates under management (one large and 18 small).

Southern Division.—There were 33 estates under management at the beginning of the year. Two new estates, one in Belgaum and one in Dharwar, were taken under management. The year thus closed with 35 estates (one large and 34 small).

(2) Income

Northern Division.—The total gross income of the estates during the year amounted to Rs. 32,216 against Rs. 89,528 during the preceding year. The decrease is due to the release of estates from

management, the transfer of management of the Jhanor estate under the Court of Wards Act and to the unfavourable nature of the season in parts of Ahmedabad and Broach districts.

Central Division.—The gross income of the estates amounted to Rs. 1,76,719 against Rs. 2,89,028 in the preceding year. The decrease is mainly due to the fact that in the case of the Sholapur Bhaiyya estate, loans to the extent of Rs. 59,141 only were recovered during the year as against the recovery of Rs. 2,11,494 in the preceding year.

Southern Division.—The total gross income fell from Rs. 1,08,584 to Rs. 68,240. The decrease is mainly due to the last year's figures having been swelled by accumulated balances of three new estates taken up during that year in Dharwar.

(3) Expenditure

Northern Division.—The total gross expenditure of the estates under management amounted to Rs. 26,703 against Rs. 58,612 during the last year. The decrease is due to the causes mentioned in the above paragraph and to the suspension of Jama due to the unfavourable nature of the season.

Central Division.—The gross expenditure amounted to Rs. 78,673 against Rs. 69,398 in the preceding year. The increase is mainly due to the fact that the amounts of Rs. 8,200 were spent on marriage ceremonies during the year. There was no expenditure on this item in the preceding year.

Southern Division.—The total expenditure was Rs. 59,738 against Rs. 53,732 during the preceding year. The increase is due to payment of accumulated amounts of maintenance allowances and of cost of management in Belgaum.

(4) Collection of Estate Dues

Northern Division.—Out of the total demand of Rs 36,042, Rs. 28,203 were collected and Rs. 824 were written off, leaving a balance of Rs. 7,015 (Rs. 4,791 out of current year's demand and Rs. 2,224 out of the arrears of former years). Details of the balance of Rs. 7,015 are as under :—

	Rs.
Suspensions	6,583
Unauthorized arrears	432
	7,015

Central Division.—The total demand including arrears was Rs. 47,094 of which Rs. 25,869 were collected and Rs. 578 written off, leaving a balance of Rs. 20,647 at the close of the year. Detailed

reasons for arrears of Rs. 17,956 which are confined to eight estates are given below :—

Name of estate	Amount Rs.	Reasons
Bhaiyya estate (large) of Sholapur.	5,714	The arrears are mainly on account of house-rent. Of these Rs. 4,300 are due from an inhabitant of Guntur (Nizam's State) against whom two suits are pending. Regarding the remaining amount a decree has been obtained for Rs. 325; and about Rs. 200 are irrecoverable and will be written off before Divali.
Deshmukh of Akluj (small estate).	2,105	Of these arrears Rs. 476 have been converted into bonds. Of the balance of Rs. 1,629, Rs. 197 have been suspended under the Land Revenue Code Rules and assistance decrees have been obtained for Rs. 646. Applications for assistance under section 86, Land Revenue Code, have been made for the remaining sum.
Marwadi of Bodwad ...	2,851	As the year under report was not a satisfactory one, the whole amount could not be recovered. Of these arrears Rs. 1,313 have been converted into bonds and steps will be taken to recover the remaining arrears during the current year.
Damre of Bambrud ...	1,056	
Marwadi of Titvi ...	2,014	
Nishandar of Bhadgaon ...	1,342	
Marwadi of Kurha ...	1,230	
Patil of Dheku Sim ...	1,644	

Southern Division.—Out of the total demand of Rs. 80,058, Rs. 44,040 were collected and Rs. 621 written off leaving a balance of Rs. 35,522 after accounting for an over-collection of Rs. 145 and advance collection of Rs. 20 last year. Belgaum and Dharwar are mainly responsible for the heavy arrears, which are attributed to the bad season.

(5) Government Revenue, Cesses and Rents

Northern Division.—All Government dues ordered to be recovered were paid up, except a sum of Rs. 259 which was written off in the Ahmedabad District.

Central Division.—All Government dues were paid by the estate.

Southern Division.—All Government dues were paid.

(6) Cost of Management

Northern Division.—The total cost of management amounted to Rs. 2,152 or 6·68 per cent. of the total gross income against Rs. 5,976 or 6·7 per cent. in the previous year.

Central Division.—The total cost of management amounted to Rs. 9,430 or 5·3 per cent. of the total gross income against Rs. 10,010 or 3·4 per cent. in the previous year. Out of Rs. 9,430 the large estate of the minor Bhaiyya of Sholapur is alone responsible for Rs. 6,821 which is, however, only 4·6 per cent. of its gross income.

Southern Division.—The total cost of management amounted to Rs. 10,988 or 16·1 per cent. of the total gross income against Rs. 6,583 or 6·0 per cent. in the preceding year. The increase is due to the payment this year of Rs. 4,884 on account of accumulated costs of management in Belgaum. The cost did not exceed the prescribed limit of 10 per cent. except in Belgaum where an all-round rate of 12½ per cent. was charged on the actual gross income recovered last year.

(7) Advances to Cultivators

Northern, Central and Southern Divisions.—No advances were made to cultivators during the year.

(8) Special Schemes for Management

Northern Division.—All the estates except a portion of the Sher Jummakhanji estate in Ahmedabad, which was leased, were managed departmentally.

Central and Southern Divisions.—No special scheme was framed or undertaken

(9) Maintenance and Education of Minors

Northern Division.—The total gross expenditure under this head amounted to Rs. 7,474 against Rs. 14,888 in the preceding year. There were 12 wards (all males). Of these—

2 are under school-going age,

6 are receiving education as under:—

3 in Vernacular schools,

2 in Anglo-Vernacular schools,

1 by a private tutor,

2 are learning agricultural work,

1 has left school.

The minor in the Thana District who is a washerman by caste and whose estate was taken under management during the last year lives with his guardian who provides him with food, lodging and clothes. His estate has no income except interest (Rs. 36) realised on the investment of Rs. 1,200. He helps his guardian in his work.

Central Division.—All reasonable demands for the maintenance and education of the minors continue to be met as far as the funds permit. There are three estates from which no expenditure under this head is incurred. The minors Shinde of Bel Kopergaon in Ahmednagar and the Marwadi minor of Titvi in East Khandesh are taken care of by their relatives and the mother of the wards of Wani Deshpande estate in Nasik maintains the wards without any allowance and this she has agreed to do until the financial condition of the estate improves. The two Natu girls in Poona have practically no property and no income and are dependent on the Natu wards for their maintenance.

There are in all 28 wards—26 males and two females. Of the two females, one is receiving English education and the other is in the Vernacular school. Out of the 26 male wards—

2 are below school-going age,
4 are above school-going age,
20 are receiving education as under:—
13 in Primary schools,
7 in English schools.

26

Southern Division.—All reasonable demands for the maintenance of the minors and their relatives dependent upon them continued to be satisfied. There are in all 42 minors—37 males and five females. Of the 37 males—

3 are below the school-going age,
3 are above the school-going age,
3 have left school, and
28 are receiving education as under:—
10 are in primary schools,
16 are in English schools,
1 is in the Deccan College,
1 is privately learning at home.

28

(10) Repayments of Debts and Existing Liabilities

Northern Division.—The debts due by the estates on assumption of management amounted to Rs. 20,737 which were reduced to

Rs. 8,158 at the beginning of the year. Additional debts to the extent of Rs. 4,223 were incurred during the year bringing the total liabilities to Rs. 12,381. The creditors remitted Rs. 259 and Rs. 5,628 were paid from current income leaving a balance of Rs. 6,494 at the end of the year.

Central Division.—Out of the 19 estates, 11 are free from debt. The total balance of debt at the beginning of the year was Rs. 52,355. This amount does not agree with the closing balance of the last year owing to the addition of the debts amounting to Rs. 33,413 of the five estates in the East Khandesh District, which have been newly taken under management. Fresh claims amounting to Rs. 475 were received during the year. Out of the total liabilities amounting to Rs. 52,830 claims of Rs. 1,870 were cleared leaving a balance of Rs. 50,960 of which the Damre estate in East Khandesh and the Wani estate in Nasik are responsible for Rs. 15,946 and Rs. 10,609 respectively.

The outstanding debt of the Bhaiyya estate amounts to Rs. 6,825 which mainly consists of deposits made by the Ward's relatives in the estate funds.

The debt of Rs. 700 by the Indalkar estate in Satara is to be paid by an annual instalment of Rs. 100.

Southern Division.—The total debts repaid during the year amounted to Rs. 5,777 against Rs. 12,450 last year. The outstanding balance is now Rs. 46,986. Nine estates in Belgaum and two in Dharwar are encumbered. The rest are free from debt.

(11) Litigation

Northern Division.—Two suits pending at the beginning of the year in Ahmedabad were decided in favour of the estates and two more were filed during the year in that District. No suits were pending or filed in any other district. The year thus closed with two suits.

Central Division.—The two civil suits on behalf of the Bhaiyya estate referred to in the last year's report are still pending. Issues have been framed in both the suits and they will come up for hearing in about six months.

Another civil suit referred to in the last year's report was that filed by one Ambuji Balwantrao Mane whose suit against the minor Deshmukh of Akluj (Sholapur) failed in the High Court, Bombay, and who having failed to furnish security or to pay Rs. 4,000 in cash cannot now file the appeal in the Privy Council which he was thinking of doing last year. It is gratifying to note that this litigation which was going on since 1916 and which in the lower Court deprived the minor of his whole property has ultimately been closed in a manner entirely satisfactory to the minor.

Seven suits were filed for the recovery of the sawkari dues to the Wani Deshpande estate (Nasik) of which three have been decided in favour of the estate; the rest are pending in the courts.

Southern Division.—The Collector of Belgaum was concerned in 11 civil suits either as defendant or plaintiff. Five of these were continued from previous year. Two of the 11 suits were decided in favour of the minors and the rest are pending.

The civil suit filed against one of the estates in Bijapur was decided in favour of the minors. The plaintiff has preferred an appeal in the District Court, Bijapur.

(12) General Remarks

Northern and Central Divisions.—The administration of the estates through local officers continued to be satisfactory.

Southern Division.—The administration of the estates through local officers was generally satisfactory.

Assumption and Relinquishment of Estates

1. * * * * * *

2. The year opened with 14 estates under management. As two new estates one in each of the districts of Sukkur and Nawabshah were taken under management, and one estate in the Sukkur District was released on the ward having attained his majority, the number of estates under management at the close of the year was 15.

3. The guardianship of the person of the minor Pir Rahimshah of Kingri vested in the Collector of Sukkur. In no other case did the guardianship of the person of a minor vest in the Collector.

Income

4. The total gross income of the estates was Rs. 10,747 as against Rs. 65,509 in the previous year. The decrease is chiefly due to the fact that last year a sum of Rs. 52,549 was recovered as the share of the money left by the father of a minor whose estate was taken under management during that year.

Expenditure

5. The expenditure during the year amounted as under, to Rs. 7,843 as against Rs. 8,693 in the preceding year.

	Rs.
Government assessment	412
Litigation expenses	188
Maintenance	3,348
Education expenses	2,367
Clearance charges of karias	135
Management charges	24
Miscellaneous	1,369
	7,843

Management of Immoveable Property

6. Of the 15 estates under management 11 were leased, one new estate could not be leased as the minor had partners with him in the land, and one consists of residential houses which were leased on rent. The remaining two were cultivated by the wards' relatives.

Management of Moveable Property

7. The moveable property of all the wards, excepting one in the Thar Parkar District continued in charge of their relatives. That of the ward in the Thar Parkar District was, as reported last year, in charge of the Sub-Divisional Officer.

Liabilities

8. The liabilities of the estates under management at the beginning of the year amounted to Rs. 129, which were due on one estate in the Larkana District. The creditor of the estate occupies one of the houses of the ward and the rent due from him is paid to him by adjustment in liquidation of the debt.

Education

9. There were in all 19 wards—13 boys and 6 girls. Of the former only one is reported to be receiving education.

Litigation

10. No new suit was filed during the year. The suit shown as pending in the report for the year 1924-1925 was inadvertently shown as disposed of in the last year's report. It is still pending and was fixed for final hearing on the 10th November 1927. The appeal referred to in the last year's report has since been decided in favour of the wards.
